Lakeside is the attraction this week.  
Everything grows brighter in bright weather.  
This promises to be a great water-melon season.  
If you are warm, go to the English Baptist church this evening for strawberries and ice cream.  
Charcoal laid in a refrigerator where food is kept will do much to prevent milk, meat and butter from spoiling.  
Take your sweethearts to the English Baptist Church this evening for strawberries and cream.  
Not a word thus far in regard to an ice famine this year. The stock on hand is thought to be fairly equal to any possible demand.  
Look out for a man who will call at the house and say he was sent for a sum of money by the husband, the brother, or the boarder, or some one else. He is working all the nearby places. He may feel inclined to work this town, so be on the lookout for him.

**Oh, What a Cough.**  
Will you heed the warning? The signal perhaps of the sure approach of that more terrible disease, Consumption. Ask yourselves if you can afford for the sake of saving 50 cents, to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It never fails. This explains why more than a Million Bottles were sold the past year. It relieves Croup and Whooping Cough at once. Mothers do not be without it. For Laune Back, Side or Chest, use Shiloh's Porous Plaster. Sold by C. H. Hagenbach, N. E. corner Main and Lloyd streets.

\$4 for \$1.

A great many persons would like to read an illustrated family newspaper, but cannot afford to pay the customary price of \$4 a year for it. To meet the want of the masses, the proprietors of *Frank Leslie's Illustrated Newspaper*, offer to send the monthly edition of that publication—namely, the first number issued each month—for one year for the remarkably low price of \$1. This new idea of offering it once a month for \$1 has just been made public, and it will be interesting to observe its results. The paper this week is a beauty. Printed both in German and English. Price, ten cents.

**POLITICAL PARAGRAPHS.**

**Points on the Movements of the Politicians.**  
On August 2nd the prohibitionists of the county will meet. This meeting promises to be a most interesting one and will, from present appearances, be largely attended. A full ticket will be nominated and the nomination of our townman, S. G. M. Holloper, Esq., for Judge of the Orphans' Court, is a foregone conclusion. Judge D. B. Green will be renominated by the Republicans. The Democrats are making arrangements to put Hon. James B. Reilly against him and put Nicholas Hoblich, Esq., up for the new Orphans' Court Judgeship. The friends of Schalk and Wadlinger will be heard from later on.

The Orphans' Court Judgeship, on the Republican side will come north of the mountain. M. M. L. Velle and Joseph M. Pomeroy, Esq., are mentioned. W. D. Seltzer, Esq., is also favorably spoken of, but the nomination of Judge Green may bar him out.

The talk of Reilly's nomination for Judge confirms the prediction made by the HERALD six months ago. With Reilly on the road to the bench, our townman, J. J. Franey, will have the field for Congress.

Our brilliant young townman M. J. Scanlan is getting in some good ticks and by the time the Fall develops his campaign for Sheriff will prove more than a boomlet.

The Wolf faction is putting forward strong claims for Sheriff and declare they will brook no postponement.

**Startling Facts.**  
The American people are rapidly becoming a race of nervous wrecks, and the following suggests the best remedy: When his son was speechless from a cold, Vitis daniel, the great Restorative Nervine cured him. Mrs. J. R. Miller, of Valparaiso, and J. D. Taylor, of Logansport, Ind., each gained 20 pounds from taking it. Mrs. H. A. Gardner, of Vitis, Ind., was cured of 40 to 50 convulsions a day, and much headach, dizziness, backache and nervous prostration by one bottle. Trial bottles, and fine books of marvelous cures, free at C. H. Hagenbach, the druggist, who recommends and guarantees this unequalled remedy.
